THE UNIVERSITY OF TEXAS AT AUSTIN

MOLECULAR BIOSCIENCES AND CHEMISTRY
STUDENT ASSOCIATIONS PRESENT

FALL 2019 UNDERGRADUATE RESEARCH SYMPOSIUM

Saturday, September 28

Patton Hall
Lower Level
UT Austin Campus

Symposium for undergraduates from around Texas to speak about their research in sessions for more/less experienced students or in a 3 minute Science Slam.

Concurrently there will be a Graduate Fair with representatives for graduate and MD/PhD programs in Texas.
