

Join us for a workshop to explore how investments in coastal wetlands could realize real returns!

Wetlands Conservation Finance

Texas Style

Date: Tuesday, December 19, 2017
Time: 9:00am – 4:00pm
Location: Texas A&M University – Corpus Christi
Harte Research Institute, Room 127

Workshop Objectives

- ✓ Review the latest science for decision-makers
- ✓ Identify Texas mitigation banking opportunities
- ✓ Assess regulatory and voluntary carbon market opportunities
- ✓ Identify corporate social responsibility partnerships
- ✓ Discuss best practices to share quality project data

Who Should Attend?

Municipal and state officials, developers, landowners, researchers, industry, conservancies, academia

Workshop Overview

Discuss possible cash flow from wetland restoration and mitigation (e.g., from carbon sequestration projects), including tools and methodologies that could work for Texas partners. Hear from varied expert speakers and participate in brainstorming sessions and panel discussions.

Registration opening soon!
