Register soon, limited space!

Natural Designs for Resiliency

Incorporating living shorelines and natural systems
into your resiliency efforts

August 2, 2016
9:30am – 3:30pm

Why Attend?	Who should attend?	Cost?
Participants will deepen their knowledge about living shorelines, make connections to resiliency, investigate local projects, and identify steps in moving new initiatives forward.	Community planners, resource managers, restoration practitioners, and all those that integrate resiliency into their work	Free. Lunch Provided. What are you waiting for? Register today!
