Education

University of New Mexico (BS, 1968)

Princeton University (PhD, 1972)

University of Munich (Alexander von Humboldt Postdoctoral Fellow, 1972-73)

Massachusetts Institute of Technology (NIH Postdoctoral Fellow, 1973-74)

Employment

University of Texas; Assist. Professor (1974-80); Assoc. Professor (1980-86); Professor (1986-)

Selected Honors and Awards

National Institutes of Health Research Career Development Award 1980-85

American Cyanamide Academic Awardee, 1986

Rowland Pettit Centennial Professor of Chemistry, 1992-2000

Alexander von Humboldt Prize, 1995-1997

Arthur C. Cope Scholar Award, 1996

Novartis Chemistry Award, 1997

Ta-Shue Chou Foundation Award (Academica Sinica), 2000

M. June and J. Virgil Waggoner Regents Chair of Chemistry, 2000-present

Japan Society for the Promotion of Science Award, 2001

Wyeth Research Award, 2003

Fellow of Institute of Cellular and Molecular Biology, University of Texas, 2003-2004

Fellow of American Association for the Advancement of Science 2005-

International Society of Heterocyclic Chemistry (ISHC) Senior Award, 2013

Ernest Guenther Award in the Chemistry of Natural Products (ACS), 2017

Selected Other Professional Recognition and Activities

NIH Medicinal Chemistry Study Section, 1983-87

Symposium Executive Officer for 31st National Organic Symposium, 1989

Executive Committee, Division of Organic Chemistry ACS, 1988-1990

Member of Editorial Advisory Board of "Progress in Heterocyclic Chemistry", 1988-1996

Visiting Professor, University of Paris VI, Fall 1990

Visiting Professor, National Taiwan University, Spring 1991

Member of Board of Editors, *Organic Synthesis*, 1991-1999

Member of Advisory Board, *Organic Synthesis*, 1999-present

Consultant, Procter and Gamble, 1992-1998

Consultant, Elan Pharmaceutical (formerly Athena Neurosciences), 1992-2005

Regional Editor for the Americas of *Tetrahedron*, 1992-present

Executive Board of Editors of Tetrahedron Publications, 1992-present

Fellow Royal Society of Chemistry, 1996-present

Executive Committee, Division of Organic Chemistry ACS, 1998-2000

Visiting Professor, University of Versailles, June, 1999

Consultant for Abbott Laboratories, 2000-2005

Fellow, Institute of Cellular and Molecular Biology, University of Texas, 2003-2004

Visiting Professor, University of Bordeaux, June, 2004

Consultant ICOS Corporation, 2003-2007

Chair, Department of Chemistry and Biochemistry, 2004-2008

Organizer of 9th Tetrahedron Symposium, Berkeley, CA, 2008

Adjunct Professor, UTMB School of Medicine 2005-2009

Co-Founder of Texas Institute for Drug and Diagnostic Development, 2005-2014

Member, Science Foundation Ireland Chemistry Review Panel, Research Frontiers Program, 2007-2009

Member, Keystone Symposium Advisory Board 2007-2008

Member, Thieme-IUPAC Prize in Synthetic Organic Chemistry Selection Committee, 2008

Member, NSF Organic Dynamics Review Panel, 2008

Member, Advisory Board of International Society of Heterocyclic Chemistry, 1992-1994 and 2011-2014

Member, EVISE User Advisory Board, 2010-2015

Member, Promotion and Tenure Committee, Jackson School of Geological Sciences, 2011-2014

Chairman, Executive Board of Tetrahedron Publications, 2013-present

Chair, Canvassing Committee, Herbert C. Brown Award for Research in Synthetic Methods, 2013-2015

Memberships

Honorary and Professional Societies - Phi Beta Kappa, Phi Kappa Phi, Kappa Mu Epsilon, Sigma Xi, American Chemical Society, Royal Society of Chemistry (London)
